

# DREAMVILLE 2022

## VOLUNTEER INFO

### DETAILS COLLECTION ACTIONS

#### WHAT

- Collecting usable materials at DreamVille to priorities listed below.
- A day to remember with like-minded people.
- DO NOT clean up the grounds. There is a dedicated organization that is responsible for this. We also need to let these people do their jobs without getting in the way.

#### WHEN

- Monday, July 18, Monday, July 25 and Monday, August 1, 2022
- Meeting time for volunteers is 9 am
- Entering the field at 10 am
- Stop collecting around 6 pm

#### WHERE

- Meeting place is the deck between the crew camping and the crew costumes counter, near Kleine Steylen 4 in Boom.
- Please know that you can NOT get here by car! By bicycle you can.
- You can park your car at the crew parking lot - Parking 7, on Kerkhofstraat in Boom, near number 376. There is a footpath to the deck at the crew parking.
- See detailed map below.
- From the meeting place, teams step to their collection location.
- See ground plan next page

#### OUTFIT AND MATERIALS

- You borrow a fluorescent vest from us. You are required to wear it.
- You will be given gloves to protect your hands from the dirt.
- Preferably wear sturdy and comfortable shoes. Open shoes are prohibited.
- Camp2Camp provides rolling stock (flat carts, wheelbarrows, etc.)
- Plastic bags for tents with separate tent poles will be available.
- Backstage, there are shipping containers in proximity, where you bring your collected items.
- Big bags and jute bags will be present in the containers. These can be used to put materials in on the container.

#### OTHER

- If you have not yet registered via the link, please do so.
  - <https://forms.gle/EN6dzgPCJfS5MxZ56>
- You will have lunch at your workplace around 1pm.
- You have the option of joining us for dinner in the evening as well, but you must sign up for this through the registration link.
- Make it a fun day!
- You know yourself best. If you need a break or want to sit in the shade, do so!
- Make sure you drink enough water.
- Put on sunscreen and wear a cap when the sun is bright.
- Pulling pictures is fine as a souvenir, but please do not post them on social media.
- There will be people at the containers who will stock everything neatly in the container.
- Please do not make piles on the grounds, as we may not be able to dispose of them. There are big bags on the grounds, but they are meant for the visitors. We will not be filling these further, but will need to take them to the containers.

- Don't collect camping gear that is too dirty, or full of things you'd rather not see/smell. That will end up being residual waste anyway.
- Try to fold the pop-up tents as a circle. Ask others to help if you can't.
- Collect tents with separate poles with all his attributes in 1 bag.
- For pegs, jute bags will be provided in the shipping containers.
- Jute bags are also available for food, drinks and small materials. Make a clear distinction between the 3 types.
- It is not the intention to bring home your own items. If there are items you would like to obtain for your organization, that can be arranged with us.
- If people from the organization tell you to start working on another field because of safety reasons or because the cleaning crew starts there, do so!
- And lastly... make sure you have fun!!!
